

The Original **DCC NEW LOOK**¹⁰¹

Basic Genetics

With More Power & Look

This phenomenal sire portrays the functional, practical design that the Angus industry is searching for today. He consistently transmits tremendous body dimension and fleshing ability with extra power, performance and style. His daughters are developing into ideally sized females with exceptional udder quality and milking ability.

EXCLUSIVE
Semen Offering

A limited amount of semen will be offered to the public only in our two upcoming production sales. In addition to the New Look semen packages, his progeny and service will also be featured.

Don't miss this opportunity!
